#### **ALEXANDRIA COUNCIL** TALKS WATER RATES

Application of Company Is Opposed by Howard W. Smith. THE HERALD BUREAU, R. E. Knight & Son, 63-63 King Street.

Alexandria, Va., June 1.—There was a joint session of the city council tonight to consider the petition of the Alexandria Water Company to increase its rates made to the State Corporation Commission. Attorney Gardner L. Boothe, on behalf of the water company, made a statement regarding the affair and was followed by Howard W. Smith, president of the common council, who spoke on behalf of the people of the city. After the joint session dissolved a resolution was bresented by Councilman Bryan authorizing the finance committee of the council to continue the employment of counsel before the State Corporation Commission to look after the city's interest in the matter. It was referred to the finance committee. Most of the filials of the water company attended the meeting.

Attorney Boothe among other things

Afficials of the water company attended the meeting.

Attorney Boothe among other things all the schedule presented had been hexistence for about 65 years and there were few changes. He told of \$256,000 spent for the dam at Barcroft. The company, he declared, was capitalized at \$7,000.

Mr. Smith in his opening remarks declared: "You have got to stand for the water company or for the people," and added: "I am going to stand for the people." He referred to the fact that the company always contended that no power under heaven had a right to do anything to it. This situation he sald has been going on fifty years.
